Dear Mr. Small,

If you'd been older than 12 or 13 when I was on WBBM AM and TV so much you'd have known of my books and that Chicago bookstores stocked them. Then, not since, other than the three you have.

I do appreciate your comments, perhaps more now that I'm 82 and unwell and rather feeble. Your letter and others like it to mean much. Thanks.

I enclose the list of our books, with the prices.

Martin Luther King: The Assassination, is the reprint of Frame-Up. We have it but not the reprint.

I do not know whether the stores still have the reprint.

They are identical except that the orginal was a hardback.

Please excuse my typing. It cannot be any better.

Sincerely,

Harold Weisberg
